UPDATES

BIDS AWARDED

Two Public Works projects opened bids on June 16th. Director Gillespie made award recommendations to the council at their meeting on Monday, June 21st. Council awarded the following contracts.

PW-03-10 Main Street Parking Lots

This project was awarded to Mettler Development, LLC of Highland in the amount of \$99,581.75. This project will resurface the existing parking lot on the northwest corner of Main Street and Pine Street and construct a new parking lot in the vacant lot behind City Hall.

PW-07-10 Main Street & Walnut Street Resurfacing

This project was awarded to Rooters American Maintenance of Beckemeyer in the amount of \$191,860.86. This project will mill and resurface Main Street from Washington Street to Poplar Street and Walnut Street from Broadway south.

PROJECT WRAP-UP

The Tot Lot playground on the corner of Zschokke Street and 12th Street has been closed since September for maintenance and repainting of the elevated water tower. This week work is finally wrapping up and preparation for the new playground is underway. New fencing, surface and equipment will be installed.

CURRENTLY OUT FOR BID

PW-08-10

Highland Dam Construction

Public Works is taking bids for the construction of two earthen embankments. One will be 15' high by 240' in length, the other will be 11' high by 360' in length. These dams will be build on land abutting Highland Silver Lake to create a water source for livestock. This will help to keep the cattle out of the lake.

The bids will be opened at 10:00 a.m. on Tuesday, July 27th, 2010, with an award anticipated by early August.
